# THE RENNOC DIFFERENCE

Whether you're looking for blank or fully decorated jackets, Rennoc is your one-stop supplier of jackets, chenille, tackle twill and embroidery. We manufacture our decorations and jackets in the same facility so you can manage your Letter Jacket Program from start to finish with Rennoc.

Custom blank jackets ship from our factory in 10-12 business days. Your fully decorated jackets will ship from the plant, once all art is approved, in 4-5 weeks. We also offer a selection of stock jackets with Leather and Polytex sleeves that will ship in 24-48 hours.

Rennoc also offers the convenience of our exclusive online Jacket Shop ordering program. With Jacket Shop we can help you manage your business 24 hours a day, 7 days a week and 365 days a year. Jacket Shop allows you to order blank jackets in a matter of clicks and you can order decorated jackets online as well. Ask your Rennoc Sales Representative for more information.

## Custom - The Rennoc Difference

Whether ordering loose chenille or having your jackets delivered fully decorated, Rennoc is your chenille solution.
